

Promoting Positive Behaviour in Our School

At our school, we are dedicated to creating a supportive learning environment by promoting positive behaviour. Our goal is to teach and model respect, kindness, and responsibility, providing engaging experiences for all students. Here's how we cultivate a nurturing atmosphere and collaborate with parents to develop well-rounded individuals.

Our Strategies for Positive Behaviour

- 1. Positive Language**
 - Encouraging respectful communication among students, staff, and parents.
 - Using praise and acknowledgment to reinforce good behaviour.
- 2. Teaching Manners and Sportsmanship**
 - Incorporating lessons in courtesy and respect through role-playing and teamwork activities.
 - Helping students handle winning and losing gracefully.
- 3. Motivating Learning Experiences**
 - Offering diverse activities like sports, art, and music to keep students engaged.
 - Collaborating with external mentors to enhance learning.
- 4. Classroom Responsibilities**
 - Assigning roles to students to foster responsibility and ownership.
- 5. Inter-School Integration**
 - Engaging with peers from other schools through collaborative projects and events.

Recognition and Rewards

- Weekly assemblies celebrate achievements with awards like "Pupil of the Week."
- Monthly attendance and effort are recognized with certificates.
- Reward systems include sticker charts and student-preferred end-of-term events.

Partnering with Parents

We view parents as essential partners in fostering positive behaviour:

- Open communication for discussing student progress.
- Involvement in school activities like fundraising and sports days.
- Collaborative support plans for students with special needs.

Understanding Misbehaviour

Misbehaviour is categorized into minor, serious, and severe, with appropriate responses for each:

1. Minor Misbehaviour

- Examples: Talking out of turn, forgetting homework.
- Response: Reminder or short conversation, possible loss of privileges.

2. Serious Misbehaviour

- Examples: Bullying, damaging property.
- Response: Formal meeting with parents, behaviour improvement plan.

3. Severe Misbehaviour

- Examples: Physical aggression, theft.
- Response: Immediate action by the principal, potential suspension.

Restorative Practices

We use restorative practices to help students understand the impact of their actions and repair relationships, promoting responsibility and better choices.

Working Together

Our commitment is to address behaviour with fairness and care, ensuring all students feel valued. We invite parents to partner with us in supporting their child's growth and success, maintaining a positive school community. If you have any questions about our Code of Behaviour, please contact us. Together, we can ensure your child's continued development and achievement.
